Spring Essential Range

Wines from around the globe that offer a cheeky little vibrancy that is most welcome in spring. The quality of wines that you get at this price point from an indie wine merchant really is something; you just don't see wines that are crafted in smaller quantities and tasting like this in a supermarket.

BROKEN SHACKLE CLASSIC RED S.E AUSTRALIA

Shiraz 92%, Merlot 7%, Cabernet Sauvignon 1% - an easy drinking, full flavoured Australian red that shows aromas of ripe plums and redcurrant over toasty mocha and spicy oak. Great structure and length to the palate and great with a platter of charcuterie.

CASA DEL VALLE 'EL TIDON' TIERRA DE CASTILLA LA MANCHA, SPAIN

The vines are grown in the Caliza Franco Arenosa soils of Castilla de la Mancha located around the village of Yepes, in the province of Toledo. In the vineyard there is a high proportion of calcareous soil. A traditional easy style Spanish dry red with vanilla and red plum notes and a herbal finish. Warm, earthy and mellow aromas with spice and ripe blackberry fruit with toasted wood in the background. Fruity and smooth. Tempranillo & Cabernet Sauvignon blend.

BOHEME PRIMITIVO SALENTO, ITALY

Rich aromas of plum and black cherry with spicy notes of cracked black pepper. A charming, well balanced wine with a velvety texture and intense black forest and damson fruits. Primitivo from the heel of Italy and not overly jammy like some mainstream examples are. Boheme is more on the spicier/rustic side of Primitivo from Italy and almost has 'smoky' notes despite not being oak aged. It's a little flavour bomb! Don't let the Italians hear us, but dare we say closer in style to a Zinfandel from the USA (same grape; different name; different style)

ALTORITAS MERLOT CENTRAL VALLEY, CHILE

Soft, plummy and a great 'all rounder' - a delicious little number from Chile. It's been dubbed our 'party wine' for a long time in Vineyards, as it is a great sharer. Perfect to accompany a video chat with friends and family. If you like juicy and jammy, then this is your wine.

VIÑAMAR CABERNET SAUVIGNON CASABLANCA VALLEY, CHILE

From the cool climate of the Casablanca Valley, Viñamar wines are crafted by a gifted young winemaker, Francesca Perazzo. This wine is absolutely fantastic with lamb: a fresh, balanced Chilean Cabernet that delivers a mouthful of berries, cherries and a hint of vanilla.

CIELO MERLOT RABOSO VENETO, ITALY

A fourth generation family estate winery established in 1908 that focuses on reflecting the special bond with the earth (terra). This is a very seductive wine with ripe, luscious berries on the palate. It's so smooth and works particularly well with roasted red meats.
