29TH MARCH 2021

THE RULE OF SIX IS BACK...

Lockdown measures are slowly lifting as we hurtle along the roadmap. With that in mind, I'm sure we all have 29th March etched into our minds.

Social gatherings (Rule of Six) in our gardens and outdoor spaces will be allowed.

We will be able to share a glass (not literally) with our friends and family...

Well, the Vineyards *Garden Gathering* collection covers all bases.

We've put together a series of 'drinks boxes' that'll give your gatherings a little boost: wines, beers, spirits and non-alcoholic products.

ALL BOXES SAVE YOU MONEY as we've applied a 'bundle discount'. Enjoy!
