From a fifth generation, family-owned winery that is located on the Maçon/Beaujolais A small producer, who avoids chemical insecticides, and cares about sustainability. More elegance and flavour than an 'entry level' Maçon Villages offers you. A clean drinking Chardonnay from a classic region, made by producers who all the critics are started to notice.

WEINHOF WALDSHÜTZ KAMPTAL GRÜNER VELTLINER KAMPTAL, AUSTRIA

This Grüner Veltliner is produced in the Kamptal wine region – one of the most interesting wine regions in Austria, whose name is derived from the River Kamp. Weinhof Waldshütz say it best themselves: 'the soil carries its history into the wine cellar... the mineral spice of the primary rock, with the fine fruit and fragrant nuances of the loess soil'. For us, it's a fresh, crisp, mineral Grüner, that feels like you're drinking from a natural spring – of wine! Delicious.

PRODUTTORI DE MANDURIA 'ALICE' VERDECA MANDURIA PUGLIA, ITALY

Meet ALICE: She's fresh, vibrant, crisp, with some salty vibes that pair beautifully with lemon/acidity. Lovely wine chilled down and enjoyed in the garden with a spot of sunshine, but she absolutely SINGS with fish! Little fact: Although we pronounce her Alice, as 'in Wonderland', it's actually the Italian word for anchovies - hence the funky packaging!

VIÑEDO DE LOS VIENTOS 'ESTIVAL' ATLÁNTIDA, URUGUAY

60% Gewurztraminer, 30% Chardonnay & 10% Moscato Bianco. Passion fruit, pineapple skins and floral notes abound on the nose; there are some hints of citrus on the palate which is unctuous but offers a savouring acidity and impeccable balance. A standout wine from Uruguay made in small quantities!

WEINGUT GÜNTER & REGINA TRIEBAUMER DRY FURMINT AUSTRIA

Weingut Günter & Regina Triebaumer dry Furmint is bright, fresh, and aromatic – think ripe Williams's pears, juicy pineapple, and a bouquet of white blossom on the nose and palate. An interesting grape from a region that is a little different to the norm (Hungary)
